

Shamanic Drumming Circle

Friday 25th October at 7.30—9.30

Come celebrate the magic of Samhain.
**Let's gather in Circle and experience this most
mystical of times.**
**We can harness this energy to go deep within,
to explore and understand ourselves better.**

During a Shamanic Drumming Circle you will be gently guided in the process of undertaking a Shamanic Journey.

You are welcome to bring your own Drum, although many people prefer to allow me to Drum allowing its heartbeat to carry them into their Journey.
